This grievance will also address most importantly issues arising from “CONSOLIDATED SCHEDULE OF TRADE-RELATED FEES AND LEVIES OF GOODS IN CROSS RIVER STATE” as captured from page six (6) of this document.

▪ PURPOSE

The purpose of this GRM is to present our Service Level Agreements, provide a set of procedures and guidance on how to register complaint, and how we will resolve complaint in line with our Service Level Agreements on interstate movement of goods.

The mechanism for addressing employee grievances is not addressed through this mechanism, which is solely to manage the interface with external stakeholders.

▪ SCOPE

A grievance is an issue, concern, problem, or claim (perceived or actual) that an individual stakeholder or stakeholder group has related to Cross River State government MDAs and its staff/agents’ operations and activities or an imposter. The mechanism does not impede access to judicial or administrative resolutions.
